Silvent 59002W-Z Air Blow Gun

Air Blow Gun with nozzle SV9002W-Z

Silvent 59002W-Z: an air blow gun fitted with an energy-efficient flat nozzle that generates a strong, efficient blowing force at an exceptionally low noise level. Compressed air is optimally used in this air blow gun, which through its unique design introduces a completely new blowing technology feature. The aerodynamic nozzle design achieves the effect by maximizing entrainment of air. Each orifice is also uniquely designed to optimize the entrainment area. This air blow gun is ideal for quickly and efficiently blowing surfaces clean.

Technical data

Item number	722028
Weight	260 g
Air consumption	28 Nm³/h
Blowing Power	5,5 N
Max. Operating pressure	0,7 MPa
Max temperature	70 °C
Noise	78 dB(A)
Material	Zinc
Air pattern	Flat
Connection	1/4 BSP
