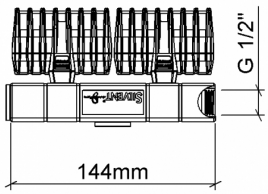
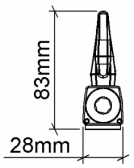
Silvent 310 Z+

SILVENT 310 Z+ is a modular, energy-efficient air knife that generates an extremely strong and effective blowing force with an exceptionally low sound level.Compressed air is optimally used in this air knife. Its unique design introduced a completely new blowing technology feature. The aerodynamic nozzle designachieves the effect by maximizing entrainment of air. Each orifice is also uniquely designed to optimize the entrainment area. SILVENT 310 Z+ modules caneasily be combined to achieve the desired length of the air knife (see SILVENT A 12 in accessories).

Product test possible!

Replaces open tube	**Ø 12 mm**
Noise reduction	**84%**
Air-/ cost savings	**43%**





Technical data

Item number	740500
Air consumption	152 Nm³/h
Air connection	1/2 "
Sound	90 dB(A)
Blowing Power	30 N
Dimensions LxWxH	144 x 28 x 83 mm
Max. Operating pressure	1.0 MPa
Replaces open tube	12 mm
Max temperature	180 °C
Air-/ cost savings	114 Nm³/h
Material	Zytel
Air pattern	Flat
