

Aluminum safety gun SV 29003W-S-SG

Aluminum safety gun SV 2000 / with flat spray nozzle SV9003W-S / with soft grip

SV 29003W-S-SG: an air blow gun fitted with an energy-efficient flat nozzle that generates a strong, efficient blowing force at an exceptionally low noise level. Compressed air is optimally used in this air blow gun, which through its unique design introduces a completely new blowing technology feature. The aerodynamic nozzle design achieves the effect by maximising entrainment of air. Each orifice is also uniquely designed to optimize the entrainment area. The nozzle is made of stainless steel. This safe and durable air blow gun fits environments where cleaning of bigger areas are needed. Equipped with a Softgrip handle for greater comfort.

Replaces open tube	7 mm
Noise reduction	23 dB(A)
Air-/ cost savings	39 Nm ³ /h

Technical data

Item number	725930
Weight	345 g
Air consumption	53 Nm ³ /h
Sound	82 dB(A)
Blowing Power	10,3 N
Max. Operating pressure	1,0 MPa
Max temperature	70 °C
Material	1.4404 Stainless Steel
Air pattern	Flat
Connection	3/8 BSP
