Noise reduction **25 dB(A)**

Silvent SDR14

Hose silencer

Hose silencer SDR features a unique design that provides effective noise suppression and will not allow the silencer to clog. Impurities can pass unhindered between the wall of the hose and the built-in absorber, eliminating the risk of explosion and disrupted service.

Technical data

Item number	500210
Air connection	1/4 "
Sound	75 dB(A)
Dimensions LxWxH	17 x 338 mm
