SW 7764-P Air Die Grinder

6 mm collet / 500 Watt / Isolation

swepro SW 7764-P - This handy, compact and extremely robust air die grinder is suitable due to its smooth running ideal for grinding, polishing and deburring. The tool features a safety switch to prevent accidental switching on and keeps the air away from the workplace with its rear exhaust hose. The grinder can also optionally be operated with a 8mm collet.
