SW 7853R Angle grinder

5" / 125 mm / 1,3 HP / M14 x 2

swepro SW 7853R - This small and weight-light angle grinder is very powerful. The tool can be used universal for cutting, grinding and roughing of plastics, metals and other materials. The side-mounted handle makes for a better handling and control. It is possible to mount the handle on both sides. Therefore, the tool is suitable for the right and left hand operation. The tool has a safety lever to prevent accidental operation and a spindle lock for quick changing of discs.
