SW 7877L Cut-off angle grinder

(7" / 180 mm / M14 x 2 thread / 2.5 HP)

swepro SW 7877L - This small and very powerful cut-off angle grinder is universally deployable for the cutting, grinding and roughing of plastics, metals and other materials. The handle mounted on the side ensures better handling and improved control. The device has a safety lever to protect against unintentional switch-on.

Technical data
