SW 4232HC-45 Air drill

Keyless chuck / 4,500RPM / noise reduced

swepro SW 4232HC-45 - This drill with 10mm keyless chuck is powerful and has a rugged aluminum housing and a comfortable soft handle. The Air Drill is ideal for drilling in aluminum and polishing because of its high free speed of 4,500rpm. SW4232HC-45 has a low noise level although the tool has a high free speed. The drill is suitable for continuous use in industrial operation.
