76 dB(A)

SW CDD48 Low-noise pistol-drill

10 mm keyless chuck / Composite housing

swepro SW CDD48 – This noise-dampened drill offers particularly low-noise and low-vibration operation. Thanks to the composite enclosure and ergonomic insulated soft handle, this very light and compact device has many applications in all sectors of industry. Apart from the useful clockwise/anticlockwise selector switch the tool also has a fastening point for balancers.

Technical data

Item number	786470
Weight	0,920 kg
