SW 1010 Hose Reel

6,5 mm x 10 mm x 10 m / Self-winding

swepro SW 1010 - The swepro hose reel with a durable plastic housing has a 10m long, flexible and robust PU-coated air hose. The installation of the hose reel is due to the swivel wall mount is very simple. Hose reels are used in all industrial sectors, in production lines or in maintenance, in workshops and at tire dealers. A self-winding hose reel reduces the risk of falling through lying around air hoses.
