SW 6675V Vacuum riveting gun

rivet size 2.4 - 4.8 mm

swepro SW 6675V - A high-quality, powerful and lightweight blind riveter with attachable collection container for riveting mandrels. The riveter lends itself to many industrial applications and can be used with rivets 2.4 - 4.8 mm in size. The switch on the bottomside of the housing turns the device off when it is stalled. This effect and the adjustable vacuum function are further product benefits, which reduce air consumption. The non-slip and vibration-damping handles, and ergonomic design, guarantee speedy and controlled working.

Technical data

Item number	789157
Weight	2,0 kg
