## SW ABS330C Belt sander

**10 x 330 mm**

The SW ABS330C is a handy belt sander with a 0.6 HP motor that is ideal for lighter work such as smoothing weld seams or removing paint and rust. It offers a wide range of applications and is equipped with a swivelling sanding arm, which makes it easier to work in hard-to-reach areas. The device also has an adjustable speed control that allows the sanding speed to be adapted to the material in question. An innovative tensioning system ensures secure belt guidance and quick belt changes. The ergonomic composite housing supports fatigue-free working, while the double noise damping and safety features such as the operating lever with safety lock contribute to comfortable and safe operation.

### Technical data

Item number	789205
Weight	0,78 kg
Air consumption	480 l/min
Sound	80 dB(A)
Dimensions LxWxH	L= 325 mm
Max. Operating pressure	6,30 bar
Free speed	18.000 1/min
Power	0,60 PS
Sanding Pad	10 x 330 mm
Vibration	0,60 m/s <sup>2</sup>
Hose diameter (inside)	6,35 mm
