SW IS1240S Impact socket set 1/2"

15 sockets (wrench size 10-32mm)

swepro SW IS1240S is a power socket set for tools with "1/2" square drive. The set includes 15 sockets with spanner widths from 10mm to 32mm, which are provided with a ball catch groove and bore. The power sockets are made of high-quality hardened chrome-molybdenum steel and are ideal for permanent use with impact wrenches, ratchets and impulse tools. The power socket set is supplied in a robust plastic case.
